THE CARRINGTON INSTITUTE FOR TEACHING AND LEARNING  
— THE STUDENT SUCCESS CENTER —

## *Middle School and High School Small-Group Classes and Spring/Summer Bridge Program*

### ***Critical Thinking and Logic- Grades 10-12 (4 weeks)***

*This engaging course will encourage students to think outside the box. Using pre-college and college-level games, readings, and writing prompts, this course will train participants to use reason, build their articulation skills, and boost their writing!*

### ***Preparing for the College Classroom- Grades 10-12 (4 weeks)***

*So, you think you are ready for college? This course will prepare students for study at the college level through structured study of organization and study skills, time management techniques, and navigating semester-long papers, assignments, and schedules.*

### ***Advanced Writing Studio - Grades 9-12 (8 weeks)***

*This high impact writing course will challenge students to think, articulate, and write in new ways. Class sessions include pre-writing strategies, organization (mind-mapping, outlining, framing), technical, creative, and analytical writing, as*

*well as writing for personal interaction. Students will leave this course with an e-portfolio, as well as a classic resume, a draft personal statement, and multiple completed essays.*

### ***ACT/SAT Prep Toolkit I- Grades 10-12 (4 weeks) **Waiting List*****

*Improve your reading comprehension, fluency, vocabulary, Latin and Greek roots, and critical thinking in this fast-paced class! Practice tests from the 2019 SAT will also be administered and scored during this course.*

### **Logic Games and Critical Thinking- Grades 6-8 (4 weeks)**

*This engaging course will encourage students to think outside the box. Using pre-college and college-level games, readings, and writing prompts, this course will train participants to use reason, build their articulation skills, and boost their writing*

### **Writing Studio for Middle School- Grades 6-8 (4 weeks)**

*Are you prepared for writing high school essays, journal entries and responses? This writing course will challenge students to think, articulate, and write in new ways. Class sessions include pre-writing strategies, organization (mind-mapping, outlining, framing), creative, and analytical writing.*

### **Special Considerations**

*Fun weekly challenges and homework are assigned for each course. All participants receive a certificate of completion at the end of each course. Students must have access to a laptop or tablet (preferably with a web camera), internet access, a working email address (may use parent's, if preferred, and writing materials.*

*Our structured online learning environment depends upon quality discussion and focus. Students are encouraged to log in within 5 minutes of the class start time; cell phone use during class is discouraged unless being used to sign into the web platform.*

### **Registration and Fees**

*Pre-registration is required; registration materials may be completed online at [www.carringtoninstitute.org](http://www.carringtoninstitute.org). Questions or requests for alternative payment*

*arrangements may be addressed to: [tutor@carringtoninstitute.org](mailto:tutor@carringtoninstitute.org). The course log-in information will be emailed to the parent of record with a confirmation upon payment of course and registration fees. The cost of each course includes all materials and fees. With the exception of homeschool/virtual academies, each course meets twice weekly on the Zoom or WebEx online platform (see schedule for more information).*

**Bridge and Single Course Registration Fee (non-refundable): \$55**
